This Quality Dental Plan offers significant discounts on dental services. I understand the benefits, limitations, exclusions and requirements of this plan and agree to the following: Fees for dental services are due when rendered. Fees for prosthodontic (dentures) and cast restorations (crowns, inlays, onlays, veneers) are due at the preparation/impression visit. If you choose not to pay at the time of service, you will be billed our usual and customary fees for such services. NO other discounts or payment options are available. Failure to show or cancel within 24 hours for appointments will cause forfeiture of one cleaning and exam. Expires 1 year (12 months) from start date.

I hereby certify that I agree to the terms and conditions outlined above and acknowledge the broken appointment policy.
